ABOUT US

The Dr. Phillip Frost Department of Dermatology & Cutaneous Surgery at the University of Miami Miller School of Medicine is pleased to offer a one year dermatology educational experience for Nurse Practitioners and Physician Assistants. This program provides a unique opportunity to gain additional knowledge in dermatology with recognized experts in the field. The curriculum will offer education in the following areas:

- Connective Tissue Disease
- Hair and Nails Disorders
- Cosmetic Dermatology
- Pediatric Dermatology
- General Dermatology
- Dermatopathology
- Wound Healing
- Patch Testing
- Melanoma
- Itch

GETTING STARTED

APPLICATION REQUIREMENTS

- Current CV
- 2 Letters of Recommendation
- Documentation of Current Immunizations
- HIPAA Training Certificate
- Transcripts

PROGRAM ATTRIBUTES

This is a one year program where participants gain knowledge in dermatology and rotate through various clinical practice locations, and engage in department educational activities. They will participate in weekly patient discussions, kodachrome sessions, grand rounds, & more!
